1. The RFS text and Attachment I, the Business Proposal Response Template, have been amended to request references for POWER Account subcontractors.

The following language has been added to Section 2.3.6 of the RFS: “In addition, if the Respondent is subcontracting with another vendor for POWER Account services, two (2) references for that subcontractor must be provided.”

The following language has been added to Section 2.3.6 of the Business Proposal Template: “In addition, if you are subcontracting with another vendor for POWER Account services, please provide two (2) references for that subcontractor.”

The Business Proposal Response Template reference information fields have been updated accordingly. Please complete the updated version posted with this addendum.

2. Attachments D, E and F have been amended to reflect the State’s new policy regarding coverage for pregnant women. If a member becomes pregnant, she will be disenrolled from the Program and enrolled in Hoosier Healthwise instead. She will not be covered under the Program during the term of her pregnancy, but will be able to reapply after the conclusion of her pregnancy.

On p 14. of Attachment D, language regarding the 24-month family planning benefit being provided by Hoosier Healthwise has been deleted. If a women re-enrolls in the Program after the conclusion of her pregnancy, she will receive family planning services under the program, not Hoosier Healthwise.

On p 18-19 of Attachment D, Section 2.4.1 has been amended to reflect the State’s new policy regarding coverage for pregnant women.

On p 19 of Attachment D, Section 2.5 has been amended to maintain consistency with the State’s new policy regarding coverage for pregnant women.

On p 28 of Attachment D, a new Section 3.3.1.2 has been added to reflect the State’s new policy regarding coverage for pregnant women.

On p 36 of Attachment D, Section 4.1.3 has been amended to maintain consistency with the State’s new policy regarding coverage for pregnant women.

On p 39-40 of Attachment D, Section 4.2.2 has been amended to reflect the State’s new policy regarding coverage for pregnant women.

On p 45 of Attachment D, Section 4.3 has been amended to reflect the State’s new policy regarding coverage for pregnant women.

On p 51 of Attachment D, Section 5.2.2 has been amended to reflect the State's new policy regarding coverage for pregnant women.

On p 56 of Attachment D, Section 5.7 has been amended to reflect the State's new policy regarding coverage for pregnant women.

On p 74 of Attachment D, Sections 7.7.1 and 7.7.2 have been amended to reflect the State's new policy regarding coverage for pregnant women.

On p 75 of Attachment D, Section 7.7.4 has been amended to reflect the State's new policy regarding coverage for pregnant women.

On p 2 of Attachment E, Section 2.0 has been amended to reflect the State's new policy regarding coverage for pregnant women.

On p 4 of Attachment F, Section 1.2.1 has been amended to maintain consistency with the State's new policy regarding coverage for pregnant women.

On p 6 of Attachment F, Section 1.4.3 has been amended to reflect the State's new policy regarding coverage for pregnant women.

The Technical Proposal Response Template (Attachment J) has also been updated accordingly. Please complete the updated version posted with this addendum.

3. A new Q&A document containing the following has been posted:
 - a. Revised answers to pregnancy-policy related questions
 - b. Answers to 2 of the 16 vendor questions that were not addressed in the first Q&A document posted (questions #281 and #306)
4. Please note that an amended high-risk policy will be posted within the next few days, but that the capitation rate ceilings will not change as a result. Responses to vendor questions related to the high-risk policy will be issued at the same time.
